

"Al's message about value is one of the most transformational experiences I have ever had. He grabs your heart and mind with perspective, tools, and takeaways the world needs now more than ever."
-Heidi Katz, President-National MS Society NEF

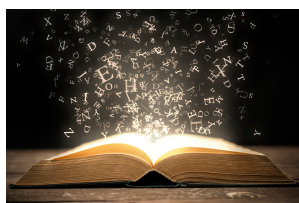

Al Emerick: Value Guide - Speaker - Founder

Al is creating a movement to lift people and organizations toward unlocking their true value and greatest impact. His message is simple - Every person and organization has hidden value that is waiting to be unlocked, understood, and shared with the world.

Al lives his mission through his proven ValueMapping® solution framework which he shares through speaking, seminars, and workshops. His goal? Help people and organizations achieve greater success with deeper meaning, purpose, and joy.

Al Is The Right Speaker / Panelist If You...

- are seeking a completely fresh, thought provoking, and relevant topic
- want to stimulate and challenge your audience
- are hungry for your attendees to be engaged and inspired
- want to give participants easy to use tools to "get to work" immediately
- need a speaker who connects to a broad or a specific audience

KEYNOTES, SEMINARS, AND WORKSHOPS FOR ANY INDUSTRY OR PROFESSION

- Sales, Marketing, & Fundraising
- Customer Service & Retention
- Culture & Communication
- Talent Acquisition
- Leadership Development
- Strategy & Planning
- Organizational Design
- Operational Efficiency

"To say Al's presentation was transformative is an understatement."

David Miller, Co-Founder
